ADA MINIMUM REQUIREMENTS

Scope of Performance: The purpose of this position is to perform skilled emergency work in the protection of life and property from fire and other hazards; the treatment of emergency medical problems and emergency rescue; public fire education and information; training; equipment checks, tests and maintenance; and building and grounds service and maintenance.

Physical Ability: Must be physically able to operate a variety of machines, tools and equipment which includes a motor vehicle, computer, generator, fire pump, fire hydrant, axe, shovel, hydraulic tools, power tools, hand tools, medical equipment, etc. This position requires: walking, standing, bending, stooping, pushing, pulling, lifting, fingering, grasping, feeling, seeing, talking, hearing, and repetitive motions. Must be able to use body members to work, move or carry objects or materials; must be able to exert in excess of one hundred pounds of force occasionally, and/or in excess of fifty pounds of force frequently. Physical demand requirements are at levels of those for very heavy work.

Environmental Factors: Essential functions are regularly performed with exposure to adverse environmental conditions including inclement weather. Duties may involve exposure to substances (chemicals and gases) requiring special precautions including protective clothing. The work environment routinely involves imminent danger from conditions or events which cannot be fully anticipated or protected against, and which exposes the incumbent to life threatening situations.

SUPERVISORY AND MANAGEMENT RESPONSIBILITY

The employee works under the general and technical supervision of a Fire Captain; reports to Fire Department Chain of Command including but not limited to Fire Lieutenant, Fire Captain, Battalion Chief, and Chief Staff.

MINIMUM QUALIFICATIONS / CERTIFICATIONS

- High School Diploma or G.E.D.
- National Emergency Medical Technician Registry or State of Georgia EMT-B
- NPQ I
- NPQ Hazardous Materials Awareness
- NPQ Hazardous Materials Operations
- Basic Life Support Certification (BLS)
- Valid Driver's License and a satisfactory Motor Vehicle Record (MVR), along with the ability to obtain a valid driver's license issued by the State of Georgia for the type of vehicle or equipment operated.
- Must meet all in-house testing requirements.
- Applicant must pass a background check and drug screening.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position. The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

I have read the above job description and understand the requirements.
