

## GEORGIA MOVIES IN THE PARK

### Safety guidelines

Georgia Movies in the Park is committed to providing our community with fun, free outdoor movies amid our current pandemic. As a precautionary measure to keep everyone safe, the following COVID-19 safety guidelines are in place

1. A mask is recommended for all guests to be worn at the event. Children under the age of 3 are not required to wear a mask. Face masks should cover the nose and mouth.
2. If you are sick or feel you have been exposed to COVID-19 please refrain from attending the event
3. Viewing spots will be marked by cones, flag or circles to encourage the public to stay safely apart during the event
4. Stay within your viewing spot. Roaming around the event venue and visiting with other guests are prohibited
5. Viewing spots are first come, first served
6. Parents are responsible for monitoring their own children. Children's activities must be kept to a minimum and stay within their assigned area.
7. Be responsible for your own trash and dispose of it properly
8. No pets allowed, except service animals
9. A limited number of bathrooms will be available. Sanitize your hands before and after use.

Please note the CDC advises that older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from COVID-19. Event guests should evaluate their risk in determining whether to attend. People who show no symptoms can spread COVID-19 if they are infected, any interaction with the general public poses an elevated risk of being exposed to COVID-19, and we cannot guarantee that you will not be exposed during the event.
