- 2015 International Energy Conservation Code with Georgia Amendments
- 2023 National Electrical Code with Georgia Amendments**
- 2010 Department of Justice ADA Requirements
- Dawson County Adopted Ordinance

\_\_\_\_ (Initial) Temporary connection shall not exceed the period the building permit is valid or completed. The state-licensed electrician (or owner) who has requested this release accepts all liability and responsibility for using electricity at this location. It is understood that no occupancy will be allowed during this temporary connection period, and any violation will result in a citation and disconnection of service without any notice. By requesting this inspection, the licensed electrician, builder, and owner understand the requirements for temporary power and will relieve Dawson County inspectors from any liability or loss for ordering connection or disconnection of electrical service.

It is also understood that they are to have a Dawson County Business License or be registered with Dawson County to work within the County.
